AI for Tribal Council: Leading with Our Values

Our data, our decision: risk levels, guards, vendor questions, and a small, safe start

Council and leaders · Two 60-min sessions · 18 pictures to explore

OUR DATA IS LIKE OUR WATER

It starts with us, and we decide where it goes

Our people,
lands, stories

Tribe holds the key

REMEMBER

Our data, our decision

Keep a human in the loop

AI helps, the Council decides
